English 620
Independent Study

PLAN FOR STUDY

Directions: Fill in the top of this form, then take it to the faculty member directing your independent study and consult with him or her to complete the description. After the form and description are completed and your faculty director has signed it, take it to the Director of Graduate Studies in English for the approval of the Graduate Committee. Once the Graduate Committee has approved it, the Director of Graduate Studies in English will give you permission to register for 620.
