Automated Payment Plan

WU offers an automated payment plan which is a structured option for budgeting educational expenses over several months. The payments are deducted monthly on the 5th of the month from the designated bank account. There is not a finance charge assessed on the contracted amount; however, there is a \$2.00 per month transaction fee to cover processing. Additional charges incurred above the contracted amount will be billed and subject to a 1% finance charge if not paid by the due date.

Any changes to a completed agreement must be done by the student or guest that originated the contract. Only one contract per semester may be completed for each student.

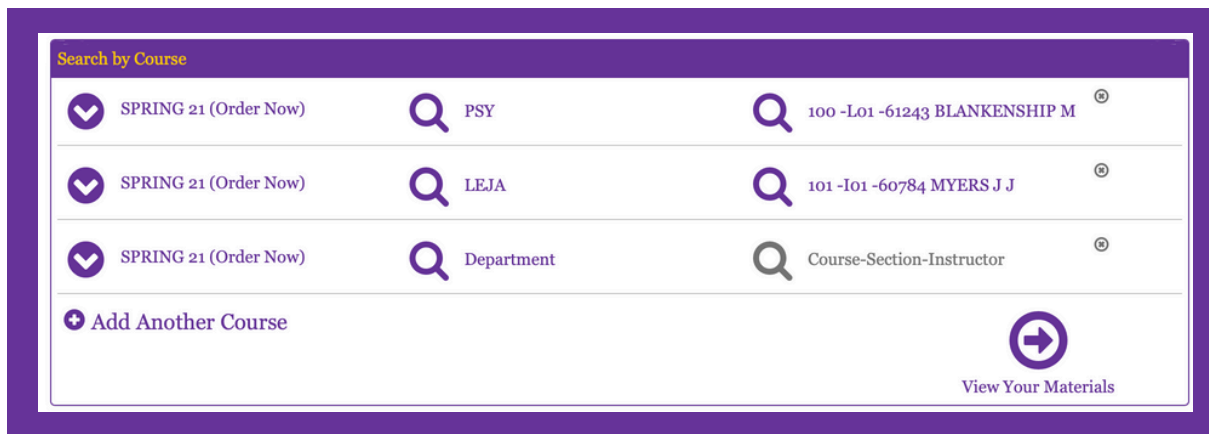

Choose the term contract and click the Continue button.

FREQUENTLY ASKED QUESTIONS

What will the cost be to take a class?

Your dual enrollment class will cost $\frac{1}{3}$ of the normal tuition rate through a special automatic scholarship offered only to dual enrollment students. For Fall 2024 or Spring 2023, a 3-credit hour class will cost you around \$336.50 for the semester.

You will not be charged student fees, but you are responsible for the one-time \$15 transcript fee, any required course materials (textbooks, lab fees, access codes), and a \$20 parking permit (if you are taking an on-campus course).

When will I receive my student bill?

You will receive a bill in the mail and electronically a few weeks before the semester starts. Fall semester charges are due August 28th, spring semester charges are due January 28th, and summer semester charges are due June 28th.

How do I share my WIU grades with my high school?

You must complete a [Transcript Release form](#) and include your high school and counselor name. This authorizes WIU to release your academic transcript to your high school at the end of each term in which you are registered for classes as a high school dual enrollment student. This form is included with your dual enrollment acceptance letter and email.

I want to attend WIU after high school, what do I need to do?

Complete an [Admissions Update form](#) to be considered for admission after high school. On this form, you will include your admission type (freshman, transfer, or TAG), start term, and academic major. This form is included with your dual enrollment acceptance letter and email.
