Looking for ag students who can drive grain trucks -no CDL needed. Competitive wages! Please call Erik Terstriep at 309-221-9820

Looking for general farm help. Can operate or, willing to learn, older Case IH equipment. Tractor and grain cart or tillage equipment. Possibly combine. Older grain trucks. I'm pretty flexible on hours for the most part, because I already work alone most of the time. Would have weekend work. Would also have some occasional work throughout the winter and into spring, if someone is wanting to make extra money. If any questions just email or call:
