Looking for general farm help. Can operate or, willing to learn, older Case IH equipment. Tractor and grain cart or tillage equipment. Possibly combine. Older grain trucks. I'm pretty flexible on hours for the most part, because I already work alone most of the time. Would have weekend work. Would also have some occasional work throughout the winter and into spring, if someone is wanting to make extra money. If any questions just email or call:

Sponsored by CME Group & National Pork Industry Foundation

The National Pork Producers Council is pleased to announce the 2019 Lois Britt Memorial Pork Industry Scholarship, which is sponsored by CME Group and the National Pork Industry Foundation and is managed and administered by the National Pork Producers Council.

The scholarship program was introduced in 1990 by CME Group and NPPC to celebrate the 25th anniversary of CME Hog Futures. The scholarship was renamed in 2006 to honor the passing of NPPC Board of Director Lois Britt, a lifetime supporter of agriculture, spent 34 years with the North Carolina Cooperative Extension Service, finishing out her career for 15 years with Smithfield Hog Production doing Public and Government Relations. She was inducted into the NPPC Pork Industry Hall of Fame, the N.C. Pork Council Hall of Fame and awarded the N.C. 4-H Lifetime Achievement Award as some of her many achievements.

Ten \$2,500 scholarships are awarded to students annually who intend to pursue a career in the pork industry with hopes that they may emerge as future pork industry leaders themselves.

To be eligible, applicants must:

1. Be a current undergraduate student in a two-year swine program or four-year college of agriculture and a U.S. citizen. High school students are not eligible.
2. Write a brief letter indicating what role the applicant sees themselves playing in the pork industry after graduation.
