**ABSENCES**

To succeed in this class, you must be present. Each class period is worth 10 participation points. Excused absences (emergencies, funerals, and illness) should be cleared with the instructor **prior to the class** via email, the OARS system, or in person. Notifying the instructor of your absence does not mean you are excused from class that day. Unexcused absences will result in a loss of participation/attendance points for that day. All assignments missed due to an excused absence must be completed prior to the next class period.

**LATE ASSIGNMENTS**

The “real world” has deadlines; therefore, this class has deadlines. Learn to meet deadlines now so when your job is on the line, it isn't a hard task for you. Your assignment is due at the beginning of class on the day it is due in the form assigned (WO, hard copy, etc). **For each day your assignment is late you will be docked 5 points.**

**CLASS GUIDELINES**

**Failure to comply with the class rules will result in a loss of participation points. Repeat offenses will result in the loss of one letter grade.**

Cell Phones/laptops/tablets: Cell phones/laptops/tablets are not to be used during class unless requested to do so for class activity purposes. If, due to medical or public safety concerns, a student needs an exception to this policy he/she should inform the instructor prior to class.

**\*\*\*Phone usage is not allowed during class. This isn't a joke. Seriously, put your phones away. \*\*\***

Tobacco: Use of tobacco **in any form** is prohibited in university buildings/classrooms.

Talking: Unnecessary side conversations will not be tolerated.

Respect: Please respect the opinions of your classmates during class discussions and activities. **Fifty points** will be deducted if at any time during a conversation you are harassing or demeaning towards another student.

Do. The. Work.: The more effort you put into this class, the more you will get out of it.

Whining: There is a \$5 fine for whining.

## **ASSIGNMENTS**

Assignments will be graded on attention to instruction and detail, proper writing conventions, overall effectiveness and organization, and clarity among other components. All assignments must be typed, 12 pt. font, unless otherwise noted. Any assignment that is illegible will receive a zero.

## **GRADING POLICY:**

**The course grade will be based on the following:**

### **GRADING SCALE:**

**93% and above = A**

**90 – 92 = A-**

**87 – 89 = B+**

**83 – 86 = B**

**80 – 82 = B-**

**77 – 79 = C+**

**73 – 76 = C**

**70 – 72 = C-**

**67 – 69 = D+**

**63 – 66 = D**

**60 – 62 = D-**

**59 and below = F**

## **Attention Education Majors:**

The changes within the state teaching license require all education majors to receive a grade of a "C-" or better in this course in order to meet Illinois teaching license requirements. With the university +/- grading system, receiving a "D+" or below will require you to retake this course or find a substitute course to meet School of Agriculture graduation requirements.

## **UNIVERSITY POLICIES**

ADA Compliance: In accordance with University policy and the Americans with Disabilities Act (ADA), academic accommodations may be made for any student who notifies the instructor of the need for an accommodation. For the instructor to provide the proper accommodation(s) you must obtain documentation of the need for an accommodation through Disability Resource Center (DRC) and provide it to the instructor. It is imperative that you take the initiative to bring such needs to the instructor's attention, as he/she is not legally permitted to inquire about such particular needs of students. Students who may require special assistance in emergency evacuations (i.e. fire, tornado, etc.) should contact the instructor as to the most appropriate procedures to follow in such an emergency. Contact Disability Resource Center (DRC) at 298-2512 for additional services.

Title IX: University values, Title IX, and other federal and state laws prohibit sex discrimination, including sexual assault/misconduct, dating/domestic violence, and stalking. Academic Integrity: The rules and regulations outlined in the University's policy on academic integrity are applied to this course. <http://www.wiu.edu/policies/acintegrity.php>

Student Rights and Responsibilities: Detailed information regarding student rights and responsibilities can be found at <http://www.wiu.edu/provost/student.php>. It is your responsibility to be familiar with the posted information.

Disruptive Student Behavior: Disruptive Student Behavior is defined as inappropriate student behavior that a reasonable faculty member would view as interfering with the ability of the instructor to teach and students to learn whether in a classroom or other learning environment (such as an online course, laboratory, site field experience, internships, instructor's office, computer lab, or other setting whether it is an on-campus or off-campus location), which disrupts the educational process. It is also considered disruptive behavior for a student to exhibit threatening, intimidating, or other inappropriate behavior toward the instructor or classmates outside of the learning environment. Further information is available at <http://www.wiu.edu/vpas/policies/disrupst.php>.
