ANNUAL MATH TEACHERS' CONFERENCE

Assessment And Numeracy For All

*Now Including
Science Educators!*

Our fall event replaces our traditional spring conference and now includes dedicated programming for science educators as well.

The School of Computing, Data, and Mathematical Sciences at Western Illinois University invites you to our annual Math Teachers' Conference on **Saturday, November 14th, 2026**, hosted at the WIU Quad Cities Campus in Moline, Illinois.

Because this event takes place on a **Saturday morning**,
no substitute expenses, no substitute teacher plans,
or out-of-classroom coordination are needed!

*Learn.
Connect.
Grow.*

DATE

Saturday,
November 14, 2026

TIME

8:30 AM – 12:00 PM
(3.5 PD hours available)

LOCATION

WIU Quad Cities Campus,
Moline, IL

- Practical Classroom Approaches

WIU PARTNERSHIP OPPORTUNITIES

Learn about resources, dual-credit pathways, and support systems Western Illinois University offers for local schools and teachers.

*Whether you are looking to sharpen ACT preparation strategies,
bring modern data science or numeracy into your curriculum,
or network with fellow educators across the Quad Cities region,
this conference is designed to deliver immediate, actionable takeaways for your classroom.*

**A complete schedule of speakers
will follow soon.**

Please mark **November 14th** on your calendar
and share this announcement with interested colleagues
in your department or district.

*We look forward
to seeing you
in Moline!*
