

Key Ideas

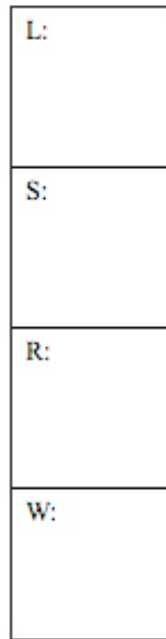

To help illustrate the key ideas in the English Language Proficiency Standards, complete the graphic organizer below with information found in the WIDA ELP Standards-Introduction:

1. There are **FIVE English Language Proficiency Standards**.
2. Each of the standards is represented in each of the **FOUR domains**.
3. There are different standards for each of **FIVE grade level clusters**.
4. There are **SIX levels** of proficiency for each grade level cluster.
5. The Performance definitions encompass **THREE criteria**.
