## Welcome Back!

The children this week are learning about the importance of play time and making friends. Play is an important part of social development because it allows for them to learn how to interact with other people.

We would like to have the children here by 9 am. to join in on the morning fun and activities!

## Events

### *WIU Balloon Rally- Balloon Glow*

*Saturday, Sept. 11th  
@ approx. 7:30pm.*

*At the WIU Vince Grady Field!*

The kids had so much fun playing outside in the sand. They are learning to share and get along with one another!
