## SHARING IS CARING

*Children need to learn to share so they can make and keep friends, play cooperatively, take turns, negotiate and cope with disappointment. Sharing teaches children about compromise and fairness. They learn that if we give a little to others, we can get some of what we want too.*

## PLAYTIME

*This week the Kinesiology students came to play with the kids in the gym. We do all kinds of activities such as an obstacle course, kicking a ball to knock down the pins, and throwing a ball to hit the shapes on the wall!*

## READING TIME

*The kids have begun reading books to get in the spirit of Halloween. Ms. Kelly has been reading them stories about some of our favorite ghouls. Each day, we share one thing we learned from the book,*
