Another Wonderful Week!

A big thank you goes out to everyone for coming to our parent/teacher conferences last week! We enjoyed meeting with each and every one of you to talk about all of the fun learning activities that have been going on in our classroom so far. The children are very proud of their accomplishments at preschool, and we love sharing the important moments and milestones with all of you. This week we were excited to decorate the classroom for the upcoming Christmas holiday. During morning free-choice play centers we had a table set up with beads, bells, and pipe cleaners for bracelet making activities. We also had a Christmas card making table with paper, stampers; stickers. What fun!

Pushing a wheelbarrow.

Exploring a ball ramp.
