Halloween Parade!

Our Halloween parade will be on Tuesday, October 31st at 9:30am. You may send your child to school already dressed in their costume. Or you may choose to send the costume in their backpack and we will make sure they are all dressed and ready for the parade! Family members may wish to attend the parade, but it is not required. We will walk around Horrabin Hall trick-or-treating at all of the offices and classrooms! This is a fun annual tradition that everyone always seems to enjoy. Don't forget to send a pail or bag for your child to collect their goodies in!

Reminders:

As fall rolls in and the weather gets cooler, we will continue to go outdoors as much as possible. Did you know that the state of Illinois requires us to take the children outside to play daily if the temperature with wind chill is 25 degrees Fahrenheit or above? The benefits of getting fresh air and sunshine every day are numerous. Please make sure you send your child to school in weather-appropriate clothing. This may include jackets, boots, hats, and gloves or mittens, depending on the forecast. Thank you for helping instill a love of nature and the great outdoors in your child!
