Happy Halloween!

Thank you to all of the family members who came to our Halloween Parade and participated in our celebration! The children sure enjoyed dressing up and walking around the building for trick-or-treat with you. Everyone went home with lots of goodies! In addition to the parade, we had an action-packed week with several different special activities. On Tuesday we had an Agriculture in the Classroom lesson with Ms. Rhonda, where we learned all about corn. On Wednesday we had Kinesiology class with the college students in the gym. On Thursday we went for a walk around campus with the Infant/Toddler class. On Friday we had Music Time with the college students. We were very busy!

Ms. Kelly, Ms. Shirley, & Ms. Sherri

Trick-or-treating around Horrabin.

Having fun with our families.

Illinois Early Learning & Development Standards

Kinesiology Class.
