

3/1 Meeting + Scratch workshop

- <https://scratch.mit.edu/> (very fun)
- Additional Resources:
 - Visual Studio Code(free):
 - <https://code.visualstudio.com/download>
 - Harvard Intro to Comp Sci (free):
 - <https://pll.harvard.edu/course/cs50-introduction-computer-science?delta=0>
 - Code Academy(Some free, some not):
 - <https://www.codecademy.com/catalog/language/python>
- Going over ACE constitution
- Met with Dr. Shin
 - We need to pick out some fun social activities (discuss during the next meeting?)
 - The Ace room needs to stay locked when not in use
 - Decorate the room, make it look nice
- Jesses is making an instagram! Send her your insta @ if you want be tagged
