- Club activities

Meeting Attendees: Ryan, Noah, Aaliyah, Alex, Calvin, AJ, Jack, Bryce, Najeh, Giovanni, Arthur, Andrew, Cameron, Hannah, Nathan, Tommy, Najeh, Maria, Aaron, Kaitlyn

Meeting Minutes:

- The meeting started with new students introducing themselves – Tommy, Hannah, Nathan, Maria.
- Ryan spoke on the history of the club so that the new students could know what ACE is about.
- Ryan spoke about Engineering Week which is from 19 – 23 February. ACE will be responsible for one day and will be doing a coding workshop using Scratch. Approximately 95 middle schoolers will be in attendance. The aim is to get students interested in Engineering.
- ACE will buy a high-quality 3D printer that can print in multicolor this semester.
- The ACE officers introduced themselves.
- Alex said that he is unable to continue being an SGA representative for ACE. His role as SGA rep was to attend SGA meetings and relay information back to the club. He also spoke on behalf of the club when decisions were made and addressed the issues with SGA. SGA meets every other Tuesday from 5-6 pm.
- Najeh agreed to be the SGA representative for ACE.
- Cameron introduced himself. He is an admission counselor here at WIU and spoke about his involvement in Engineering Week. He is a point of contact for activities at the school.
- ACE meetings are every other week on Wednesdays.
- Ryan mentioned ACE's job showing we did at Shive last semester which was a success. He also mentioned that ACE is looking into doing a job shadowing at Lincoln Electric. Other places we can look into are Hutchison, IMEG, PBT, and Motion Raceworks.
- We looked at everyone's schedules so that we could figure out what time would be the best time for job shadowing. From 1:20 onwards on Tuesdays.
- Fun Club Activities we can do together: pool, indoor bags, video games, Wii sports, mini golf, movie night, trivia night, basketball, and laser tag tournament.
- ACE is working on getting shirts for all members.

The meeting adjourned at 12:50 pm
