  - Business Applications (Robert Emmert)
    - No updates
  - Online Teaching and Learning (Dawn Sweet)
    - Meeting Weekly with the Online Teaching Subcouncil of CIT regarding plans for improving the quality of online courses at WIU and ensuring compliance with RSI and Accessibility regulations. The Subcouncil will submit recommendations to the Senate in April.
    - Continuing to work on developing new self-paced training for faculty regarding online teaching and learning. Currently, we have two training

sessions in development: Regular Substantive Interaction in Online Courses and Accessibility in Online Courses at WIU. We do not have ETAs on these as time for development is limited due to daily service requests and meetings.

- BPTO for Spring is in Session and is facilitated by Joan Nkansah.
- Piloting a consistent Universal Course Shell in the SOE to increase student satisfaction with consistency in navigation and usability. A couple additional departments have recently inquired about the opportunity to do the same but those have not moved forward at this time.
- Administrative Information Management Systems (Stacie Hunt)
  - No additional report.
- Web Services (Jeremy Merritt)
  - No notable updates
- CAIT (Paul Sweet)
  - No new updates
